This evening, you'll sit down to a farm-to-table dinner prepared by our Lodge's skilled chefs and accompanied by fine Chilean wines. Meals D

Day 2 Tailor Your Stay in the Atacama

2

Choose from a wide variety of included excursions, and tailor your exploration to your own interests and personal taste for adventure. Led by experienced naturalists or culturally-savvy guides, you'll be joined by just a small group of other Lodge guests so as to leave no trace. Cultural excursions usually combine traveling in a comfortable van and some walking or hiking; you can meet with villagers in the High Andes, discover ancient petroglyphs that reveal the development of the region's ancient farming communities, or explore the 2,400-year-old archaeological site at Tulor.

Back at our luxury lodge, you'll enjoy delightful dining accompanied by fine house wines, spirits and beverages. This evening, you might join an Astronomical Adventure! The Atacama Desert is one of the driest places on Earth; with such low humidity, nearly cloud-free skies, and the absence of ambient light, this is one of the best places in the world for stargazing. The *Alto Atacama Desert Lodge* also has the only open-air observatory in the region – with swivel chairs, a powerful telescope and an expert guide to enrich this activity. If the moon is full during your stay here, you can even join an exciting 2.5-mile night-time walk into the appropriately named Valley of Mars! Meals B+L+D

Day 3 Another Day at Alto Atacama

3

With our luxury eco-lodge as your base, delight in another day of guided adventures and activities. Once again, you can choose from a variety of included excursions to pursue your personal interests. Guided excursions by van can take you quite far afield, if you wish... to explore a high-mountain geothermal field of bubbling mud pools, geysers and fumaroles; to learn about the geological forces that formed the ethereal landscapes of the Valley of the Moon, or to experience rural life in remote mountain villages. Longer, more challenging hikes and guided mountain biking expeditions are available for active travelers.

Again, fine dining back at *Alto Atacama* is accompanied by a selection of house wines, spirits and beverages. And in between meals and excursions, you might opt for a spa treatment, go for a swim in one of six spectacular pools, or just relax on your private terrace enjoying the captivating scenery.
