# IN TOURING WE TRUST

**GLOBUS & COSMOS HAVE ALWAYS GREETED THE MOST FASCINATING PLACES** across the globe with unmatched intrigue, curiosity, and wonder. Along the way, we've discovered the sights to see, encountered the people to meet, engaged in the customs to sample, and indulged in the cuisine to taste. And we've done this while bundling unrivaled knowledge from Tour Directors and Local Guides with first-class accommodations and transportation to help you greet the globe on a journey that goes beyond the ordinary. In short, touring offers over-the-moon experiences without overthinking.

# WHAT TO EXPECT WHEN TRAVELING WITH US

**GLOBUS & COSMOS ARE DEDICATED** to giving our guests a safe, stress-free getaway. To that end, with help from our Global Health & Safety Team, we've established a set of enhanced pre- and on-trip protocols and procedures to ensure health—and happiness—throughout your journey with us.

## **OUR TD'S ARE THE BEES KNEES**

On tour, your Globus & Cosmos Tour Director will ensure there's appropriate social distancing, both while traveling and at attractions and restaurants, and make sure bags and coaches are sanitized each day.

## **YOUR HOME AWAY FROM HOME**

Globus & Cosmos have hand-picked every hotel we use. Each hotel has been checked to ensure they are meeting or exceeding government-mandated standards.

## **GETTING AROUND, SAFE & SOUND**

Our state-of-the-art coaches and vehicles have undergone thorough cleaning between tours, and each day starts with a freshly-cleaned motorcoach with touchups at each stop. Hand sanitizer, luggage disinfection and assigned seating is provided to prevent the spread of germs.

# SMALL GROUPS BIG EXPERIENCES

**GLOBUS & COSMOS MAKE IT EASY TO EXPLORE THE WORLD** with calm and confidence with Small-Group Discoveries, available in many destinations. With an average of 24 guests per departure (in some cases even fewer), there's always room to roam with extra space between you and other travelers—while still getting up close to fascinating attractions and the stories that make experiences feel personal and connected.

# THE LURE OF THE LESS TRAVELED

**UNDISCOVERED  
DESTINATIONS**

ITALY  
BRITAIN  
MEDITERRANEAN  
& NEW IN 2021!  
NORTH AMERICA

**WHILE IT MIGHT BE THE ICONIC SIGHTS OF THE WORLD THAT FIRST ENTICE US** to pack our bags for adventure, it's often the tucked-away towns, lesser-known nooks, and secluded seafronts that beckon us to return.

**Our “Undiscovered” series of tours invite you to trade the Colosseum for the narrow lanes of Tuscan towns; the hustle and bustle of London for the quiet landscapes of the English countryside; Europe’s seas of tourists for the coastal villages of the Mediterranean and the crowded cities of North America for smaller, crowd-pleasing gems, from sea to shining sea.**

# ON ARRIVAL

**YOU'LL RECEIVE A WARM WELCOME** by your Globus & Cosmos Tour Director.

A travel expert who's ready, willing and able to ensure that you have a healthy and happy journey with us—here's how:

- **THEY'RE TRAINED** on our enhanced health and safety protocols
- **THEY'RE SUPPORTED** 24/7 by our local offices, who are well-equipped to handle on-trip issues
- **THEY HAVE EXTENSIVE LOCAL KNOWLEDGE** to help navigate your destination safely, including helping you avoid long lines and crowds, where and whenever possible
- **TOUR DIRECTORS AND LOCAL GUIDES WEAR FACE MASKS** when with guests, while drivers will have approved PPE headgear, ensuring the spread of joy, not germs

---

**GLOBUS & COSMOS' ENHANCED WELCOMING** procedures are in place, ensuring guests have a safe start to their journey. These procedures include:

- **MANDATORY HEALTH SCREENING**, including touch-free temperature-check for all guests, Tour Directors, and drivers. If you have a high temperature or are feeling sick, your Tour Director will assist in finding local medical facilities
- **DIRECTION AND DETAILS** on social distancing throughout the journey

**GLOBUS** cosmos.

# WHILE TRAVELING

**ON TOUR WITH GLOBUS & COSMOS**, guests remove many “touch points” of travel, including luggage handling, hotel check-ins and check-outs and the purchase of sightseeing tickets. All this ensures only hearts are touched, not hands. Even better? Our Tour Directors secure expedited entry into must-see attractions, which means no waiting in long, crowded queues of people. And wireless listening technology—including our Globus & Cosmos Go Beyond Devices in Europe—enables safe distances between our guests and other travelers on excursions.

---

**For moments when touch is necessary, Tour Directors and motorcoaches are equipped with hand sanitizer at-the-ready.**

**GLOBUS** cosmos.

# HEADING FOR HOME

**OUR AIM IS THAT YOUR TOUR** leaves you as healthy—and happy—as when you left (we strive for happier!). Efficient and reliable airport transfers are available (and are included when you purchase flights with us), so that's one less thing to worry about.

---

**And, as you prepare for the journey home, if you need any assistance or are not feeling 100%, just let your Tour Director know and we can help find local medical assistance to get you shipshape before your return.**
